

Eastside Huskies Baseball Club 13u & 15u Select Teams:

The Eastside Huskies Baseball Club, providing players with the opportunity to learn, grow and change, allowing them to prepare to play at a high level in high school.

We specialize in player skill development, no matter the current level they play. Being former college and high school players, and current high school coaches, we know and can teach the skills they need to excel at all levels. We teach players to excel both physically and mentally/emotionally, dealing with both success and temporary failure, regrouping to maintain intentional success.

Full roster is 13 players for 13u and 14u, 15u is 15 players

Founder Brad Peterson: Brad created the Eastside Huskies in 2000, providing tremendous instruction to help support players achieve their goals. Brad was a scout for the New York Yankees, played collegiately at the University of Washington and current varsity pitching coach at Bellevue High School.

Schedule: 4 week fall workouts, followed by our small group winter training, 4 players per group, training once per week, November-February. Training takes place either in south Bellevue or Kirkland.
